**I. STATEMENT OF SUBSTANCE OF INTERVIEW**

The following is Applicant's Statement of Substance of Interview held with the Examiner of Record in the above-identified application on June 21, 2007.

Applicant's representative demonstrated that the reference to Puskorius fails to teach or suggest Applicant's claimed invention of a first RNN and plural second RNNs with the addition of the state variable being output from the "first RNN" to each of the "second plural RNNs."

The Examiner then stated that he would conduct a new search and based upon his findings, issue either a new Office Action or a Notice of Allowance.
